[10.3] PERSONAL MEANING AUDIT

Directions: To become a leader who shapes and creates meaning for others, start with this personal meaning audit.

How do I feel about my work?

What aspects of my job are the most meaningful to me?

What am I trying to accomplish that feels connected to a greater good I value?

Which of the seven drivers of meaning matters most to me?

Which of the seven drivers could I invest in to make a difference in how I experience my job?

What could I do in the next 30 to 90 days to help myself and my employees find more meaning in our work?
